Professional Experience

Department of Jobs Precincts and Regions (DJPR)

Apr '23 –present

Digital Jobs Program Participant (JavaScript)

The Digital Jobs Program is a Victorian Government initiative to develop skills and training in digital technologies.

I qualified and was selected in the Digital Jobs program to complete the JavaScript with General Assembly credential.

In my final project I created a free to play games search website using HTML, CSS, and JavaScript.

This website requests data from 'freetogame.com' API to display them on the pages.

Currently completing digital career mentoring, digital jobs inhouse training and a digital jobs placement.

Clarion Suites Gateway Hotel

Dec '06 – Sep '22
